| Machine Tool Technology           | --              | 30                      | 3                | 10+         | 2011-2012          |
| Automobile Engg.                  | --              | 30                      | 3                | 10+         | 2011-2012          |
| Total Annual Intake               | 300             | 360                     |                  |             |                    |

This approval has been accorded subject to the fulfillment of norms and standards of the Council for the course(s) and intake approved above and provision of the AICTE Act, its regulation, guideline and circular issued thereof.

Further, the observations and specific conditions (if any) of the expert committee are annexed to this letter, as applicable. The institution shall fulfill all the conditions without any delay before the commencement of the next academic year. Non fulfillment of norms and standards may lead to strict action against the Institution including withdrawal of approval.

In Exercise of powers conferred under 10(P) of the AICTE Act, AICTE may inspect the institution any time it may deem fit to verify the progress/ compliance or for any other purpose.

Moreover, in the event of infringement / contravention or non-compliance of the norms and standards prescribed by the AICTE during the last academic year, the Council may take further action to withdraw approval to such cases for admission during subsequent academic year and the liability arising out of such withdrawal of approval will solely be that of Management / Trust / Society and/or Institutions.

You are requested to kindly monitor the progress made by the institution for fulfillment of the Norms and Standards of the Council and keep the concerned Regional Office of AICTE informed.

Yours faithfully,

  
(Dr. K. Shreekrishna Kumar)  
Director
